

Closinglock

Adding layers of security for you and your clients for one of their largest investments.

Don't trust your identify, your money or your sensitive documents with a title company that doesn't take security seriously. Ask if they provide these basic security and convenience measures.

Identity Verification

We will ensure that the client you're dealing with is not an impersonator, attempting to commit fraud

Verify Payoffs

Verify loan payoff accounts & routing numbers in real time

Wire Instructions

Send and receive wire instructions without the risk of wire transfer fraud

Payments

Securely receive earnest money deposits and cash-to-close as Good Funds

e-Signing

Request & receive government compliant eSignatures

Documents

Two-way secured document sharing and communication
